BIOSPAIN is the largest biotech event organized by a national bioindustry association in Europe and one of the largest in the world by the number of one-to-one meetings and companies participating. 34% of our delegates came from outside of Spain.

Next year, BIOSPAIN returns to Barcelona, the main biotech cluster in Spain and one of the most dynamic cities in the world. The event will take place in Pavilion 1 – Fira de Barcelona – Montjuïc. It stands in a superb location in the city center, easily accessible from the airport and well-connected to the public transport network. It is located in Montjuïc Park, an area of cultural and historical interest thanks to its museums and theatres and it also features some of the main tourist attractions in Barcelona.
